Subject: Help logging in to the parent consultation service

Dear parents and carers

We have had a few parents report to us that they have been having problems logging into the new parent consultation booking system.

The information entered needs to be exact to what we have on our system, looking further into the problems, it looks like class names have been exported to the new system as:

Whiskered
Mouse-eared Bats
Long-eared Bats
Horseshoe
Leisler
Natterers
Barbastelles
Daubentons
Serotine
Noctule
Bechsteins

Hope this helps
