Subject: Be Bright & Be Seen

Dear Parents / Carers

As the nights get darker, it is really important that our children are staying safe when out and about. This is a brilliant video to watch with your children which helps them to be prepared for the unexpected <https://www.think.gov.uk/resource/expect-the-unexpected/>.

Here are some great top tips for staying visible in the dark:

**5 top tips on how to  
BE BRIGHT & BE SEEN**

- 1** Brightly coloured or fluorescent clothing shows up well in daylight and at dusk when you're heading to and from school.
- 2** If you're out and about when it's dark, wear reflective gear to make sure you can be seen in car headlights. Reflective vests, sashes or wristbands work well. Remember, fluorescent clothing doesn't work after dark!
- 3** Don't forget to accessorise! Even small items such as clip-on reflectors, armbands and stickers on your outfit or school bag are a great way to improve your visibility.
- 4** If you like to cycle, remember that it's the law to have clean and working lights at night (white at the front, red at the back), as well as a rear reflector. It's good to fit spoke reflectors too.
- 5** Of course, 'Being Bright' isn't the only way to stay safer. If you're out at night, choose routes and crossing places that are well lit and remember to always use the Green Cross Code.
