Dear Parents / Carers

We would like to reassure you that we are following government guidance in all aspects of our operations and have been directed by public health in relation to who should, and who should not, self-isolate as a result of the positive case we reported on Saturday.

As you are aware children in Early Years classes are not able or expected to socially distance from each other or the staff. However, staff are able to socially distance from each other.

This may help you understand why the different approaches have been taken to staff and children.

Thank you for your support.

Mrs Harriet Phillips
