Subject: Keyworker children

Dear Parents / Carers

If you are a keyworker and require a school place for your child, we will need evidence of this before your child can attend. This can be either:

- A recent letter (dated this week) on headed paper from your employer, stating your role and keyworker status
- Your most recent payslip
- A photograph of your work I.D. badge

Please note that we are unable to use any evidence that you may have provided during the previous lockdown in March.

Further details of which roles are included in the keyworker / critical worker list can be found here

Kind regards
