29th January 2021

Dear Parent Carer,

I am delighted to inform you that we have been successful in the recruitment of a substantive Headteacher for Castle Mead School. We are excited to welcome Emma Larkham to this position from Easter. Emma brings to the post a wealth of skills and considerable leadership experience, including two previous Headships. Most recently Emma has been employed in a Deputy role in the Trust since relocating to Wiltshire with her young family.

The Trustees, Academy Advisors and Executive Leadership Team would like to thank Harriet sincerely for her leadership of the school during her time as Acting Head.

Harriet has led with passion, commitment and by example during an unprecedented time of challenge. This is wholly recognised and appreciated. Harriet will continue as a member of the team in her substantive position as Deputy Headteacher of Castle Mead.

Over the coming term we will be working with SLT, and of course both Harriet and Emma, to support a seamless transition into the next chapter for Castle Mead.

As always we thank you for your ongoing support.

Kind Regards

Lyssy Bolton, Executive HT

Jayne Bullock, Chair of Castle Mead Advisory Board
