

Curriculum Information
Term 5 2020-21

Year 1 - Horseshoe Bats and Long-eared Bats

English

We will share :

In our writing we will be learning to:

- Write riddles
- Write stories linked to the books we read
- Write an autobiography

Maths

We will be learning about place value.

- Tens and ones
- Counting forwards and backwards
- One more one less
- Comparing numbers
- Ordering numbers

History

Children will learn and begin to understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day: how people's lives have shaped this nation and how Britain has influenced and been influenced by the wider world. They will learn to order information on a timeline and use sequencing words such as first, next, finally, then and after that, and use them to order information chronologically. Children will learn that photographs can be ordered chronologically on a timeline.

Childhood

This project teaches children about everyday life and families today, including comparisons with childhood in the 1950s, using artefacts and a range of different sources.

Science

Children will identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.

Spelling/Phonics

Children will be learning and applying phonic knowledge in their writing and reading.
Children will continue to learn Year 1 common exception words, and will practise and be tested in school weekly.

Art and Design

In our 'companion project' 'Funny Faces and Fabulous Features' children will learn about the concept of the portrait and how the collage technique can be used to make a portrait.

Music

We will sing songs about childhood games and toys, adding percussion instruments to the songs. We will also learn some playground rhymes and patterns. We will use both tuned and untuned percussion instruments.

PE

In P.E. this term, children will learn to strike a ball with sporting equipment such as a hockey stick. They will also master basic fundamental movement skills including running and jumping, agility and co-ordination. Children will focus on the personal skill of resilience in their P.E. lessons. They will begin to apply these skills in a range of physically demanding activities and competitive sports.

PSHE

Virtual Life Bus experience.

Children will learn about growing and changing from young to old and how people's needs change.

Children will identify the stages that people go through as they grow older and recognise that their responsibilities, needs and lifestyles change over time.
