It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on ‘**whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school**’.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements in 2020- 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Specialist P.E. teaching through In2Sport • Lessons were delivered on Seesaw for every class every week during lockdown to mirror what was being taught in school. All activities posted by children were responded to be one of the P.E. team. • Virtual intra- trust competitions (including fitness and football skills) for KS2. • Daily 15 across most classes. • Participation in the virtual Wiltshire School Games during lockdown. Some of our children achieved highly. Staff and families got involved in this too and it had a great community feel. • Sports Day: a fun and competitive day. No family on site due to Covid measures. • Children had range of opportunities to get involved in physical activity at playtimes. • Positive attitude towards P.E. among children and staff. Staff are well aware of the benefits of physical activity post lockdown. • Every year group having at least 1 PE session a week either in school or online. • 'Phys' sessions established across the school in most classes. • Very clear curriculum mapping at the end of last year to ensure most skills are covered. We prioritized some physical skills in after/during lockdown and therefore a degree of movement in the order the skills were taught over the year. • Sharing of planning across the Trust. • Regular meetings of P.E. leads across the Trust to share best practice. • 	<ul style="list-style-type: none"> • Use the new Statutory framework for the Early Years Foundation Stage to support colleagues in YN, R, 1 and 2 in areas such as gross and fine motor to support early physical development. Support the quality improvement of EYS learning environments and opportunities provided to enable children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. This is particular relevant for our children after lockdown. P.E. leads to adapt the progressive curriculum to incorporate these changes. • Reintroduce the Sports Council as they didn't meet in 2020-21. Conduct interview to select new members. • Reintroduce after school sports clubs so that children have wide ranging opportunities • Reintroduce Fitness Friday/ Wake and Shake as a way to increase Physical Activity levels. • Reintroduce participation in fixtures and competitions. Reintroduce intra- sports competitions across the Trust face-to-face. • '<i>Clubs Festivals and Competitions Monitoring</i>' spread sheet used effectively to monitor which children are taking part in sporting clubs and events and to support our choices of who we select. • P.E. home learning posted to the whole school on Seesaw. • Reintroduce display boards and assemblies at both sites celebrating achievement in and out of school. • Reintroduce Sports Leaders leading sporting activities on the playground and in KS1. • Prioritise Daily 15 mins of exercise for all children (led by Y6 or P.E. leads.) • Develop a bank of activities that can be delivered in the classroom when there is adverse weather conditions. This will include some personal/social skills, learning about sports and sportspeople but also some physical activities. • Continue to monitor children's fitness levels and develop ways to support those who are struggling. • Review of our Outdoor and Adventurous curriculum. (The sequential offer of provision in each year group in order to develop skills and confidence progressively. This is also needs to be linked to topics and opportunities in the local area.)

	<ul style="list-style-type: none"> Swimming: After lockdowns and periods of pool closures, we need to ensure we have a clear understanding of current children who have met necessary standards. We then need to target children to reach the necessary standard before they leave in Y6.

Did you carry forward an underspend from 2020-21 academic year into the current academic year? NO

Total amount carried forward from 2020/2021 £0

+ Total amount for this academic year 2021/2022 £ £20,080

= Total to be spent by 31st July 2022 £ £20,080

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</p> <p>Please see note above.</p>	<p>We did not take the Year 6 children swimming this year due to the pool closures due to COVID-19 measures.</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above.</p>	
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>No</p>

Action Plan and Budget Tracking
