

Curriculum Information

Term 1

Year 3 – Barbastelle and Daubenton's

English

We will be reading *Stig of the Dump*

In our writing we will be learning to:

Describe a special person

Write a warning story

Write a chronological report

Significant figures: Dr. Alexandra Jones and Dame Maud Cunningham

Maths

We will be learning about numbers up to 1000 and focusing on the value of each digit, as well as learning how to compose and decompose numbers. Later on into the term, we will be recapping addition and subtraction methods using renaming.

Spelling/Phonics

We will be:

Recapping set 3 RWI sounds

Revisiting suffixes and prefixes

Learning how to use contractions (words like can't, couldn't etc.) and apostrophes.

Through the Ages

In the Through the Ages project, your child will learn about three different periods of British prehistory: The Stone Age, Bronze Age and Iron Age. They will discover terminology relating to time and sequence dates to make a timeline. They will explore the changes to people, homes and lifestyle throughout the different periods and investigate examples of prehistoric settlements, monuments, burials and artefacts in detail. They will also study how technology improved over time, including how the discovery of different metals changed the way that people lived.

History

In History we will be learning about the history of the British Isles, particularly, changes from the Stone Age to the Iron Age and exploring the similarities and difference between these two periods of history.

Science

In Science we will be learning about the life cycles of flowering plants, the parts of a plant and the requirements of water, light and nutrients for plants to grow.

French

We will be learning how to greet people in French. We will also be learning how to say and respond to instructions in French. By the end of the term, we will also know how to say numbers and the names of animals in French.

Art

In Art we will be learning the importance and cultural significance of Bell Beaker pottery and exploring and using the different techniques to create our own pottery.

Music

In music this term, we will begin learning the recorder. We will learn how to play with a clear tone and begin to read staff notation. We will also compose a piece of music based on the text 'Stig of the Dump.'

PE

In P.E. this term, we will develop our ball skills through the sport of football. We will learn to combine dodging and running skills while dribbling a ball.

PSHE

In PSHE we will be learning about all the new rules and routines in school.

Computing

We will develop our understanding of digital devices, with a focus on inputs, processes, and outputs. We will compare digital and non-digital devices, before exploring computer networks that include network infrastructure devices like routers and switches.
