22nd October 2021

Dear Parents/Carers,

On Wednesday 3rd November 2021, we will be visiting the play park at Paxcroft Brook to engage the children in their new topic 'Mighty Metals.' We will be investigating the different forces at the park as part of our science learning including contact and non-contact forces.

We will be leaving school at 1pm after the children have eaten lunch and returning before the end of the day for a normal pick up. We will be walking there and back. Please prepare for bad weather and bring a rain coat and suitable footwear in a carrier bag.

If you do not wish for your child to take part in this activity, please contact the school on 01225 768641.

Best wishes,

Mrs Heather Gilbert and Miss Hollie Wiltshire

Year 3 Class Teachers
