Planetarium Visit

Dear Parents / Carers

We have a mobile Planetarium visiting the school on Friday 10th December 2021 to enrich the learning for Year 5 and their Stargazers topic. The children in Year 5 will be able to spend the afternoon exploring the solar system inside the dome.

We are pleased to let you know that we are then able to offer two additional 30 minute sessions running after school with a different show which all children can attend with their parents. One session is at 3.30pm and one is at 4pm. There are limited spaces for these and are offered on a first come first served basis and will be priced at £3.00 each. Please visit Sims Pay to book tickets which can be found in the 'Events' section. Please note, children must be accompanied by an adult and you will need to book a ticket for each person attending.

Kind regards

Castle Mead School
