

14th February 2022

Dear Parents/Carers,

For our **Road Trip: USA** topic next term, we have organised a visit to the **American Museum in Bath** on **Tuesday 5th April** to allow children to take part in a day of workshops relating to our topic. Children will:

- See how the physical geography of America created different settlements and trade routes
- Examine evidence of how the lives of Native American people were lived in different landscapes
- Look at lifestyle changes over time with new technologies
- Explore a range of sources and handle innovative objects from past lives
- Look at how both indigenous and European lives were changed through travel and trade

The coach will leave at 9am and will be back on time for the end of the school day. If your child is eligible for free school meals, a packed lunch will be provided on request. The cost of the trip is **£11.88** and is available to pay on the Sims Pay website under the 'Trips' section. Payment is due by **22.03.22**.

Please note that the trip will be unable to go ahead without sufficient payments. We are very grateful for your support and hope that the children will very much enjoy the opportunity to visit the museum. If you are concerned about payment or have any further questions, please email admin@castlemead.wilts.sch.uk with your queries. We understand that the trips have been close together and this is the last of the planned trips for this academic year.

Thank you for your continued support,

Miss Bullen, Mrs Feierabend & Mrs Perdicchia
Year 4 teachers
