

2nd September 2022

Dear Parents/Carers,

For our '**How did invention cause change between the Stone Age and the Iron Age?**' enquiry next term, we have organised a visit to **Stonehenge, Wiltshire** on **Friday 23rd September** to allow children to visit this famous historical monument and the visitors centre.

Children will:

- Visit a Neolithic village and explore what life would have been like for people at this time.
- View archaeological objects first hand.
- Examine evidence of how this landmark was built and the impact it had upon the lives of people living in the past.
- Look at lifestyle changes over time.
- Explore a prehistoric monument and think about how the lives of the people living at this time may have been.

The coach will leave at 9am and will be back on time for the end of the school day. If your child is eligible for free school meals, a packed lunch will be provided on request. We are asking for a voluntary contribution towards the cost of this trip of **£10.60** and this is available to pay on the Arbor parent portal under the 'Trips' section. Please note that the trip will not be able to go ahead without sufficient contributions.

Please note that the trip will be unable to go ahead without sufficient payments. We are very grateful for your support and hope that the children will very much enjoy the opportunity to visit Stonehenge. If you are concerned about payment or have any further questions, please email admin@castlemead.wilts.sch.uk with your queries.

Any parent that is able to support this trip should speak to the class teachers at the start of term or alternatively contact the school office.

Thank you for your continued support,

Miss Jefferis and Miss Thompson
